

Valiant Christian Academy

Mission Statement

Our Mission: to develop Pre-Kindergarten through 12th grade students academically, spiritually, emotionally, morally, socially, and physically through the power of God and our highly trained faculty and staff.

Our Purpose: to educate students with a standard of excellence, a Christian commitment, and a passion for success. Our students achieve these goals through distinctive academics, sports programs, and exciting extracurricular opportunities.

Our Primary Goal: to provide a top-notch certified curriculum in a Christian environment. Our desire is to see your child advance in revelation knowledge and to become the person that Christ predestined them to be.

Our Code of Christian Conduct: VCA students are expected to display appropriate behavior at all times; 1) treating peers, teachers, and staff with respect and kindness as to never bully or mistreat other students verbally or physically; 2) including: treating school property and other's possessions with respect; 3) treating students of the opposite sex with respect and dignity and never degrade or sexually harass members of VCA in any way; 4) cheating and plagiarism are unacceptable and could result in suspension or expulsion; 5) dressing in conformance with one's biological sex; 6) using the restrooms, locker rooms, and changing facilities conforming with one's biological sex; and 7) abstaining from all intimate sexual conduct outside the marital union of one man and one woman.

Academics

All of our academic programs meet and exceed state guidelines for curriculum and content. We use the [A-Beka Curriculum](#), which is an advanced, Christ-centered curriculum. We are members of the Association of Christian Schools International (ACSI).

The Science department offers courses through Physics. The Math Department offers courses through Advanced Math, (Calculus and Trigonometry) and the English Department equips students in everything from the basics of grammar through College Composition. Students engage in Bible class and are challenged to live lives of moral integrity, spiritual intensity and physical purity. Bible courses are infused with excitement and life application.

Academic Enhancements

- **Computer Lab:** Beginning in Kindergarten and advancing through high school. All students will be taught basic computing and typing skills, computer literacy and proper care of equipment.
- **College readiness:** All courses are designed to prepare students for college courses.
- **Spanish Classes:** Students will be taught Spanish beginning in Pre-Kindergarten and advancing through 11th grade.
- **Fine Arts Department:** Beginning in Pre-Kindergarten and advancing through 10th grade, all students will participate in art classes. Pre-K through 8th grade will participate in music classes. Instruction in performing arts will be given to students in all grades for school productions. These presentations are part of each student's grades.

Spiritual Distinction

Our spiritual emphasis and chapel services alone set Valiant Christian Academy apart from many other schools. All of our curricula are Christ-centered and emphasize a Christian world-view. V.C.A. students attend various churches throughout the city and we encourage each student to be involved in their home church. In addition, students will be able to participate in Outreach opportunities.

Facilities

The campus of Valiant Christian Academy utilizes 5 acres of land and is located in southwest Louisville. Presently, our school occupies approximately 20, 000 square feet of our church property. We have plans to extend that area as the need arises.
