Please discuss this with the office staff.

VISITORS

All visitors must stop at the front reception desk to sign in. To minimize disruption to the classrooms, parents are not permitted in the school hallways after 8:00 a.m.

SCHOOL CLOSINGS

In the event that we deem it necessary to close school (due to inclement weather or other unforeseen circumstances), we will broadcast an announcement on the major television stations in the Kentuckiana area: WAVE 3, WHAS 11, WDRB 41, & WLKY 32. Every effort will be made to have the announcement aired no later than 6:00 a.m.

On rare occasions, it may be necessary for school to close prior to the normal dismissal time. In such cases, it is necessary for parents to pick up their children earlier than usual and all after-school activities and after-school care would be canceled. There are occasions when JCPS is closed due to other reasons, such as power outages. At those times we will make a decision based on the situations pertaining to Valiant Christian Academy. In the event that we feel it is necessary to close school early when JCPS does not, we will contact parents by phone or text message.

ADMISSIONS

POLICY

Valiant Christian Academy does not discriminate on the basis of race, gender, disability, color, ethnic origin or nationality in administration of its educational policies, admissions policies, athletics, and other school-administered programs. Selection of students is based on past achievement, interviews with the administration, and openings in their particular grade. Family life and general behavior are also carefully considered. At this time, we are not equipped to accept children with special educational needs.

REGISTRATION

The following forms are **NECESSARY** for enrollment:

- Birth Certificate (certified, full-sized copy)
- Medical Examination (most recent or current year for Kindergarten and 6th Grade students.)
- Immunization Certificate
- Registration Form and Fee
- Copy of final report card from last school attended or a transcript of grades if a student was homeschooled.

REGISTRATION FORMS

A current registration form must be on file at all times. This form must have current phone numbers where the parent or another adult can be reached in the event of an emergency. It is imperative that the office has current, up-to-date phone numbers, addresses and email addresses. Please notify the staff immediately if address, phone numbers or email addresses change.

PERSONS AUTHORIZED TO PICK-UP YOUR CHILD

All K4 – 6th grade parents must fill out the Authorization Form to authorize persons other than the custodial parent or guardian to pick up a student. We can only dismiss K4 – 6th grade students to those persons authorized by the custodial parent or guardian. In the event someone other than one previously authorized is to pick up your child, we must have one-hour notice (phone call) or a hand-written note from the custodial parent or guardian. Also, the person picking up your child must come into the front office and present a valid picture ID to pick up your child. This is for your child's protection. K4 – 6th grade students must remain with the teacher following dismissal. If your child has restrictions on who may have contact with him/her, please fill out a form at the office and provide an explanation on the bottom or reverse side, and present it with your Registration Form. The child will need to remain with the teacher to await the arrival of authorized persons.

TUITION

Tuition rates and other required fees are detailed in the **Schedule of Tuition and Fees** form. Complete information concerning tuition payments can be found on the **Financial Agreement Statement**, which must be signed and dated by the parent and returned with the Student's Registration Form, Fees, and electronic debit entry form.

MEDICAL AND HEALTH INFORMATION

MEDICAL & IMMUNIZATION RECORDS

Kentucky law requires all children enrolled in school be immunized against various communicable diseases and tested for tuberculosis. The original certificates of immunization and TB test should be presented to the school (shot record cards are not acceptable). All Kindergarten and 6th grade students must have a current year Medical Examination Form, completed by a physician, on file. The school must maintain these records and will notify you if your child's records are incomplete or expired.

MEDICATIONS

Students are not to have any type of medication, including aspirin/non-aspirin or substitutes, in their possession at any time. All medication should be turned into the office, in its original container, and a medication authorization form (available in school office) completed by the parent or guardian. School personnel will dispense medication per doctor's instruction.

In the event a student becomes ill or injured during the school day, **the student is to report to the office.** The office personnel will administer basic first aid or determine if the student needs further medical attention. We have a full time nurse on staff to assist with any medical problems. If injured, an accident report will be completed by the teacher who witnessed the injury. Parents will be given a copy of this form. The parent/guardian will be contacted by phone if the situation warrants. **CURRENT PHONE NUMBERS ARE A MUST!**

The following information pertains to childhood and communicable diseases. More information may be obtained from the health department or a physician.

TEXTBOOKS AND EQUIPMENT

Students are responsible for supplying their own pens, pencils, and other daily items. A supply list will be mailed over the summer. Please be sure your child has these items on the first day of school. If your child runs out of a basic necessity, such as pens, pencils, notebooks, etc, we have a supply of these items students may purchase from the office. On rare occasions, your child's teacher may require additional fees or supplies when necessary for in-depth instruction in a given area. Educational equipment is also available for student use. **Damage to or loss of textbooks, workbooks, or school equipment will result in parent having to pay replacement or repair costs.** Depending on usage, you may be asked to provide additional supplies during the year such as pens, pencils, etc. The fee for books is a book rental fee and a workbook purchase.

ATTENDANCE

Students are to attend school daily and arrive ON TIME. 1st – 12th grade students are to be in their assigned classroom by 8:00 a.m.; K4 – K5 students by 8:30 a.m. Students arriving after the 11:30 a.m. or leaving before 11:30 a.m. are considered absent for (1/2) day and this will count against perfect attendance.

Kentucky School Law KRS 159.150 states, "Any child who has been absent without valid excuse for more than three (3) days, or tardy without a valid excuse on more than three (3) days, is a truant..."

ABSENCES

Please note changes to our absence and tardy policy!

Any child that is absent excessively (30 days) could possibly be detained at the end of the year to their current grade. In the event your child must be absent from school, call the school office at (502)368-0080 every morning absent by 10 a.m. The day your child returns to school, he/she must provide a signed and dated note to the school office explaining the reason for the absence. All absences without a valid note will be considered unexcused. Any unexcused absence will result in a zero for the day. If the student's absence was due to a physician/dentist's office visit, a note from said office must be presented to the school office. We ask that if at all possible, such visits be scheduled after school hours.

A valid excused absence includes: student illness, visits to a physician or dentist, death in the family, or other extenuating circumstances approved by the school. Students are allowed five (3) individual days of hand-written notes for illness per nine week grading period before they must have a doctor's note.

Students who have nine (9) absences in a nine week grading period will receive a failing grade if the absences were for any reason other than doctor excused absences or for extenuating circumstances approved by Mrs. Salvo. Excessive absences will result in the student not being allowed to attend field trips and extracurricular activities, such as sports or school dances.

When a student is absent, the school administrative staff will:

- ◆ Notify the parent/guardian by telephone.
- ◆ Notify the parent/guardian after the 8th absence in a quarter, to let the parent know that their child is approaching their 9th absence.
- ◆ After the 9th absence we will notify the parents and also notify the Department of Pupil Personnel at Jefferson County Public Schools to report truant child.

It is necessary for the school to maintain accurate records of excused absences to avoid loss of driver's license for a student between the ages of 16 and 18. (For more information regarding student driver's licenses, please see the section entitled **Student Automobile Policy**.)

TARDINESS

Any student with excessive tardies could possibly be detained at the end of the year to their current grade. Students in K4 and Kindergarten arriving to their classroom or assembly after 8:30 a.m. are tardy. Students in 1st – 12th grade arriving to their classroom after the 8:00 a.m. bell are tardy. Please keep in mind the front door is not their classroom. They must be in homeroom by 8:00 a.m.

Please note that this year we are beginning a new policy. Students that have 3 tardies after 8:35 a.m. will add up to 1 absence. Important instruction time begins at 8:35 and students who came in after this time cause disruption to the class and miss important instruction. This is hard on the teachers and the other students, so be respectful and get to school on time. Every 3 tardies after 8:35 a.m. will equal an absence. Excessive tardies will result in the student not being allowed to attend field trips and extra curricular activities.

KRS 159.150 states any child who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant. Any child who has been reported as a truant three (3) or more times is a habitual truant. Being absent for less than half of a school day shall be regarded as being tardy.

If a student drives and is tardy more than nine (9) times in a 9-week grading period, they will lose their driving privileges on school property for the rest of the grading period. At the beginning of the next grading period, the driving privileges will be restored.

Students with excessive or extremely late tardies could have their driving privileges revoked for an extended period of time to be determined by the school principal.

Parents will be contacted when a student attains (3) tardies and again at six (6) tardies. Parents will also be notified when driving privileges are revoked after the ninth (9th) tardy.

MAKE-UP WORK

Any student returning to school after an absence must present an absent note and request their make-up work on the first day back to school. The work will include only written daily work, tests, and major projects. Students with unexcused absences are not allowed to do make-up work and will receive zeros. Students with an excused absence will have the number of days absent plus one (1) day; from the time he/she receives the make-up work to turn it in to the teacher. When counting days, weekend days will also be included as well as school days. Teacher discretion may be used to handle a special situation.

REPORT CARDS

Report cards will be sent home every nine weeks for all grades. K4 – 6th grade report cards must be signed by parent or legal guardian and returned to their teachers.

PARENT/TEACHER CONFERENCES

One Parent/Teacher Conference Day is scheduled in October, to discuss student grades and conduct. The conference day is scheduled to occur near the end of the first nine-week grading period. If a parent wishes to have more than one conference, they may contact the school office to schedule a meeting with their child's teacher at any time during the school year. Teachers may request meetings at any time during the school year if they feel that a student is struggling in any area. Parents **must** follow the procedures listed under the **Visitors** section when attending conferences before, during and after school.

PROGRESS REPORTS

Parents of 1st – 12th grade students and the students will have online access to student’s grades at jupitergrades.com. Parents will be automatically registered during student orientation. Text message grade alerts are also available through Jupiter Grades. Teachers will post grades weekly.

Pre-Kindergarten & Kindergarten students will get daily behavior reports from teachers with classroom information.

VISITORS TO THE SCHOOL AND CLASSROOM VISITATION POLICY

Visits by parents and others are welcome. However, there are both policies and procedures that must be followed to ensure the security and safety of our children and to ensure visits produce minimum disruption during the school day. All parents, guests, and other visitors to our school must adhere to the following procedures:

1. **All** parents, visitors, and guests **must** sign in at the front desk prior to going to the classroom. The faculty and staff cannot protect our children without this measure. This ensures that we know who is in our building at all times. We need to ensure that persons who are not to have contact with particular children (because of court orders, etc.) do not do so.
2. In the interest of common courtesy, classroom visits **MUST** be scheduled in advance with teachers. Visitors must conduct themselves in an appropriate manner to minimize disruption of the instructional process. Parents are welcome to celebrate their child's birthday with the class. However, the visit must be scheduled with the teacher in advance. Please keep classroom visits to a minimum as visitors to the classroom causes a distraction to students.
3. Clothing which is immodest, is not to be worn by an adult who comes into the building to drop off, pick up children, or visit the school. We do not expect the adults to abide by the school uniform dress code, but we do **insist** on modesty.
4. We must ask that adults refrain from inappropriate language, smoking & alcohol consumption while on school property.

STUDENT AUTOMOBILE POLICY

The Kentucky Department of Transportation requires that before a student who is under 18 years old can get a learner's permit, he/she must prove that he/she is attending school and passing. Students are required to have passed at least five (5) courses and have fewer than nine (9) unexcused absences in the previous semester (18 week grading period). This proof is provided by the school and can be picked up in the school office. However, one day notice must be given to the office for this form to be completed.

At the end of each semester, the school will report to the Kentucky Department of Transportation, the names of students who have dropped out of school, had more than nine (9) unexcused absences, or failed to pass at least five (5) courses.

If the Transportation Cabinet revokes a student's license, he/she may contest it by requesting a hearing in District Court.

Additionally, as stated earlier under the Attendance section, driving students who have nine (9) or more tardies will have their school driving privileges revoked until the beginning of the next 9 week quarter.

STUDENT/VISITOR PARKING

Parking spaces are available for students in the parking lot to the right of the building.

In addition to the above, students must abide by the following regulations:

3. Student cannot have excessive tardiness or absences. Students with nine (9) or more tardies in a nine-week grading period will have their driving privileges revoked until the beginning of the next nine-week grading period.

Students failing to abide by Parking Guidelines will be subject to disciplinary procedures.

STUDENT BEHAVIOR EXPECTATIONS AND DISCIPLINE POLICY

Students are expected to display appropriate behavior at all times. This includes using quiet voices in the building, walking quietly in the hallways and showing respect for themselves and others. Students are expected to follow all school and classroom rules and regulations as well as any instruction given them by teachers and staff members. Any child that has poor behavior will not be allowed to attend field trips and extracurricular activities.

The punishment of students is reserved for those few students who willfully disregard orderly and prescribed conduct. Therefore, the discipline of students is progressive and becomes more severe in the face of recurring violations of the same rules of conduct. Inappropriate student conduct causes material and substantial disruption to the school environment, interferes with the rights of others, presents a threat to the health and safety of students, employees, and visitors on school premises.

In order to provide the safest possible learning environment, students are required to abide by the following guidelines. Students will:

If parents refuse to sign or to allow their child to participate in disciplinary action, the child may be expelled from the school.

JUNIOR/SENIOR BANQUET

Juniors and Seniors will have a Ring Ceremony/Prom Banquet at the end of the year. Students and their families are encouraged to attend. This is a special event for our students and formal dress is required. Girls' dresses must be moderate in appearance. However, some classes choose to do alternate activities that will be decided by the Seniors with Mrs. Salvo in class meetings.

TORNADO AND FIRE DRILLS

TORNADO DRILL

Directions as to where the students should go are posted in each room and will be explained by the teacher. Students should face the assigned center wall and shield their heads with their arms. In case of extreme emergency, the students should lie on the floor next to the center wall.

FIRE DRILL

Directions as to where the students should go are posted in each room and will be explained by the teacher. People closest to the windows should close them and the last person out of the room should turn off the lights and shut the door. After leaving the building, students should line up at the assigned place at least 50 feet from the building. Drills will be held several times throughout the school year. They will be held during various times of the day so students will learn the proper procedures.
