Dear Parents and Families,

We hope this letter finds you and your family well. As we begin planning for the upcoming **2026–2027 school year**, we want to thank you for your continued trust and partnership. Your support allows us to provide a safe, nurturing, and Christian learning environment for every child in our school.

We are pleased to announce that **early registration** for the 2026–2027 school year is NOW! We strongly encourage you to take advantage of early registration, as it will help you **secure your child's spot** and **reduce your overall cost** for the upcoming school year. **Be sure to register by Feb. 27th and save \$100 on registration and get the monthly return tuition rate of \$410. After March 1st tuition will increase to \$425 for Returning and New students.**

At the same time, we want to inform you that there will be a **\$25 increase per child** in tuition for all students, beginning with the 2026–2027 school year. This increase was not made without deep consideration for you, the parents. Over the past several years, we have worked hard to keep tuition as affordable as possible while maintaining the high standards of care and education your children deserve.

This increase will help us **take better care of our dedicated teachers and staff**, who play such an essential role in your child's growth and development. Valiant will continue staffing a security officer on site, finish the main gate (enclosing the property), providing a safe and secure environment.

We understand that any increase can be challenging, and we deeply appreciate your understanding and continued partnership as we work to strengthen our program and support the amazing team that makes it all possible.

Thank you again for being part of our school family. Please reach out to the office if you have any questions about early registration or tuition changes. We look forward to another wonderful year together!

Warm regards,

Debbie Nardi

Dear Parent,

Thank you for your 2026-2027 registration. To qualify for the \$410 per month tuition, you must either pay your yearly bill in full by August 1st or agree to an automatic monthly payment taken out of either your checking or savings account. **Book rental fees are due June 1st. Activity fees, computer lab fees and graduation fees are due by August 1st. The gymnasium fee is due with Januarys payment.** Late fees of \$100 a month will be applied if fees are not paid on time.

I will be paying my bill in full. Tuition rate for the year is \$4,920 for all grades except (3-year-olds). This does not include the book rental fee, activity fee (field trips, school yearbook and science lab fees) and computer lab fee. Book rental and activity fee rates depend upon grade level. The computer lab fee is discounted to parents with more than one student in the school.

Bank authorization forms needs to be filled out along with a voided check attached. These forms must be **returned by May 1st** for accounts to get set up.

Authorization form has been received, but voided check has not been attached. Please send your voided check by **May 1st**.

Your authorization and your voided check have been received. Thank you.

Remember that your tuition begins the month of June. **I will process the \$41.00 enrollment fee during the month of June on the date you marked along with your tuition payment.** Then beginning in July on the date you marked, tuition will be processed and will continue each month through May. This system enables us to be more efficient with our time and helps to decrease tuition rates.

Thank you for your help in this matter. I have enclosed a bill showing the amounts due for book rental fees, activity fees and computer lab fees and the dates on which they are due. **Any book rental fees not paid by June 1st will be added to your June tuition deduction. Any activity or computer lab fees not paid by August 1st will be added to your August tuition.**

Please call me if you have any questions.

Sincerely,
Stacye Owen
